Dear Friends,

I am superannuating today from service as Principal Economic Adviser after putting in more than 36 years of service. This has been a very satisfying and enriching journey. As a member of this great service, I got umpteen opportunities in various Ministries and Departments to showcase the strengths of an Indian Economic Service Officer.. While working in various Ministries and departments I had the opportunity to work with large number of service colleagues both seniors and subordinates. I wish to thank all of them for the success and recognition received during these years.

I would like to thank Secretary, DEA Sh Tarun Bajaj without whose support many of us would not have got our due promotion. I also want to thank the Chief Economic Adviser Sh .K Subramanyam and IES cadre team led by Sh Rajiv Mishra for making many things happen by their positive and open approach. Infact, the IES family has been a constant source of strength.

To my younger colleagues who have just joined the service, I wish to mention that this service offers you many opportunities, you have to make best out of it and ensure that IES flag is always high. We are the best and have to make ourselves indispensable. Many youngsters have asked me about good postings. I would say all postings are good. It's your work which makes it good or bad. So give your best sky is the limit.

Post superannuation, I would like to pursue my unfulfilled dreams which could not be addressed due to constraints on time. I am going to miss you all memories of IES fraternity would remain with me. I seek pardon from anyone if during course of my career I have hurt you . It was never intentional.

I shall continue to be available on sunitasanghi1960@gmail.com and +91-9968458500.

Wish to thank you all again for all the memories, support and trust all along.
